

English Workshop for Competitive Exams

One of the things a lot of young students in India spend money on is coaching for competitive exams today. There is an established unwritten rule of these coaching facilities before cracking any exam. English however is one of the areas that not many take up and it often becomes a reason for many bright minds not clearing exams. A workshop exclusively for students appearing for entrance exams was organised on 5th October 2015. Mr. Sandeep Tiwari from Sandesh Academy Allahbad was the resource person of the workshop. It was the first of its kind workshop in Unnao which saw participation of 25 students.
